- Glendive -

Best of luck to the girl I went with a little while. I wish it would have never ended but that is impossible if you know what I mean. I hope you have fun in the summer and maybe you'll find somebody that you like well that you like. I would like to thank you for the fun we had during the year and wish I could put it all down but it would run out of space. Because I think I'm running out of ink now. Be good have fun and don't forget.

I love you

FOREWORD

The 1971 MARINER has strived to preserve memories of the school year. We can't capture all of these memories in words and pictures, but when you pause and reminisce, maybe this book will bring you back to the 1970-71 school year.

Happenings in class, the faculty, extra-curricular activities, and graduation, where we bid our farewell to all, add to the highlights of the MARINER. May you treasure these memories of your school days at South Dorchester High School.

I personally would like to acknowledge my appreciation to the advisor, the staff, and to all who have contributed to the publication of the 1971 MARINER.

CLASS HISTORY

In September of nineteen hundred and sixty-five, South Dorchester received twenty-five heterogeneous faces.

We entered the doors as optimistic specimens, who were awaiting the teachers commands. Many considered this a "fun year", while others were eager to acquire the knowledge that was awaiting us in our remaining years at South Dorchester.

A year passed by and we entered our second year of Junior High with thirty-one students. Cathy Abbott and Robin Hall represented us in the Student Council.

Finally in the year of sixty-seven we received the title as Freshmen. Cathy Abbott was elected Treasurer of the Student Council and Sharon Parks and Billy Newcomb were chosen to represent our class. We not only held positions in the Student Council, but our class officers were: President -- Bonnie Parks; Vice-President -- Robin Hall; Secretary -- Jenny Rippons; Treasurer -- Millie Dean.

We ventured into our Sophomore year as twenty-six students. Millie Dean was elected Secretary of the Student Council. Sharon Parks and Robin Hall represented us. The class officers were: President -- Carmen Santiago; Vice-President -- Phil Jones; Secretary -- Cheryl Jones; Treasurer -- Sonny Ruark.

We eagerly acclaimed the role of Juniors. The sponsoring of the Junior-Senior Prom, and acquiring our class rings were symbols of our years of hard work. Bonnie Parks again led our class as President. Cathy Abbott was Vice-President, with Jenny Rippons as Secretary and Sharon Parks as Treasurer. Cathy Abbott was elected Vice-President of the Student Council. Sharon Parks and Billy Newcomb again regained their positions as representatives.

Finally we are Seniors. Bonnie Parks leads our class while Mickey Riley is Vice-President, Jenny Rippons -- Secretary, and Sharon Parks -- Treasurer. Sonny Ruark and Delores Powley serves as representatives. Our leaders are Cheryl Jones, holding the position of editor of the MARINER, and Bonnie Parks, acting as editor of the SO DO. Reigning over the Student Council as President is Sharon Parks.

Our Senior Class consists of twenty-three illustrious students. The Senior Play, the Junior-Senior Prom, and the receiving of our diplomas completes our years at SDHS.

With the help of the faculty, and the principal, and as the saying goes, "No man is an island", this holds true for us as Seniors. We have worked hard to achieve this title.

Now as we bid our farewell in happiness, and in sadness, to our principal, faculty, and fellow students, we have a feeling of pride to have had the opportunity of having a role in the history of South Dorchester High School.

THE CLASS WILL OF 1971

We, the 1971 graduating class of South Dorchester High School, County of Dorchester, state of Maryland, being in a state of exquisite mental and physical health, do hereby make this, our last will and testament in order to dispose of our prized possessions.

I, Cathy Abbott, will all the fun I had on the Physics trip to Cheri. Sorry you can't go for yourself!
I, Topsy Bleyer, will my position in the school store to anyone who wants to announce anything to the teachers.
I, Randy Bradford, will my ability to be persistant in discussions with Mrs. Mitchell during Business Law classes to Glenda Murphy and Darlene Hughes, because one of them cannot be persistant enough.
I, George Elliott, will my car to Kevin Johnson.
I, Robin Hall, will my Peter Max sweatshirt to Eddy Robbins.
I, Cheryl Jones, will all the fun I had working with the staff as editor of the MARINER, along with a good eraser and a bottle of aspirins to anyone willing to take on this great task.
I, Phil Jones, will my eagerness to my brother, Paul, in his future years at SDHS.
I, Rudell Molock, will to Kevin Johnson my basketball, to Louis Travers my shoes, and soul power to everyone.
I, Billy Newcomb, will my spelling IQ to anyone dumb enough to take it.
I, Bonnie Parks, will my good looks and shapely figure to Sandy Jackson, who needs it.
I, Sharon Parks, will to my cousin, Brenda Abbott, the hope that she will enjoy her senior year as much as I have enjoyed mine.
I, Carmen Phillips, will my ability to eat Hershey candy bars in class to anyone sneaky enough not to get caught.
I, Jackie Phillips, will my extra History classes to anyone dumb enough to take them.
I, Delores Powley, will my tremendous height to all new seventh graders and to Wilt Chamberlain.
I, Rickey Powley, will my troubles, problems, and fun to Martin Tolley.
I, Mickey Riley, will all my hair to Mr. Brotemarkle.
I, Brenda Rippons, will my ability to take shorthand to anyone who can fake it.
I, Jenny Rippons, will my dull school life to anyone energetic enough to try it.
I, Sonny Ruark, will Leroy Rippons all the fun I had on the Physics trip, being he couldn't be there.
I, Leslie Sears, will my three foot red-headed Sugar Bear to Rita Shockley.
I, Gillis Todd, will Carol Brittingham two turtleneck sweaters.
I, Glen Todd, will my letter and my sweater to the . . . who stole it.
I, Celestine Travers, will my friendliness to Lenora Molock, my smile to Phyliss Hall, and my tennis shoes to Cynthia Matthews.

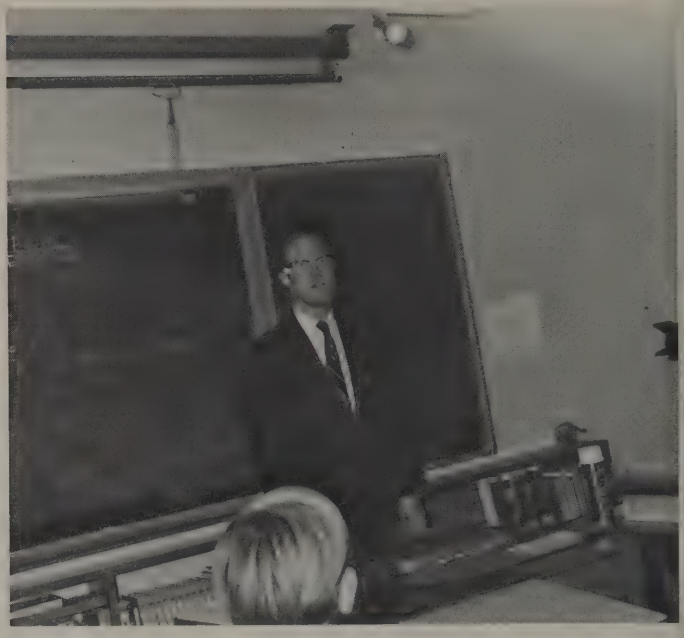
FAMILIAR SCHOOL SCENES

Does Mr. Robinson have something we don't have?



Our Photography Club

Look at good little Robin.

Are they new students? No, that's Mr. Busick and Mr. Hurley.

S.D.'s Trash Collector

FAMILIAR SCHOOL SCENES

Wonder what Danny is waiting for?

Is Mrs. Todd sitting on the job?

Do these students want time out from class?

Another bulleting board!

You shouldn't have done it!

What are Phil and Glen up to?

Is this a trailer where some of the students reside?

NO!

This trailer was one of the familiar scenes at our school this year. It was brought to us through the works of the Board of Education. Students from the twelfth grade, eleventh grade, and tenth grade worked in the trailer. Some of the things that were taught were food packaging, recognizing bad checks, the use of the cash register, and how to prepare for an interview when looking for a job.

Is Kevin Johnson being put through the first degree?

NO!

He is being interviewed for a job.

-Glenda-

All kinds of everykind of loads of LUCK to one of my greatest friends. How's that for starters. Remember all the fun we've had together like: first night at the Carousel, those days at Ocean City, all the rides to town (and other places) in yours and my car. Don't forget all those great practices and down to Scotee's. Also the party hats and noise-makers for the last game. Take care of — — — — — — — — — — — — who ever. I could write his name but I thought you might not like it. Got a quarter? I give you one Linda Faye! [illegible] Remember all those shorthand and typing classes. Hope we can all go to D.C. together this summer. Hope you go to the prom too! Get them cups out of the driveway right now. Hope we all make it next year as the raw Seniors of 72. Also remember the day at the nurses clinic at C.H.S. Buddy you better believe it. Hope we can have more great times this summer than we have ever had before. Take care of Patrick too. See Ya at M.Y.F. Don't forget to come over this summer & wear your black & white pin.

A Friend Always.
Dale

I'll give you !!! Glenda Faye (15th record) E.M.R. — Glenda

Of all the things to get hung up with it had to be you... well it could have been worse I suppose. I don't know. We've been through a lot together and it's made us better friends. Remember all the basketball games especially the away games (Saint Peter and Paul & the See-Saw ?!!) Wow we really had some wild times and what about after practice? It just won't be the same next year - I hated to come here and now I hate to go. And I mixed-up or not? How about the times I took you to meet — — — — — — ??? And the night you had to come to my house and call up your Mom. And what about the time we were up Crapo School and Martin let us drive his car and you wore that stupid green hard hat?? We left no stone unturned did we? Don't forget the day we went up to Darlene's house (you, me & Gellis) and you got sick. I wonder why? Remember our games with Snow Hill and you got kicked - then the game here and I got my lip busted open ??? How about all the trouble we had with that d—— man? (Got a quarter ??) you & Dale & I were worse than the "Three Stooges". Those M & F meetings were something too. I thought I'd die the day you lit that piece of wood or whatever and tore up the manifold on Bernard's car. How 'bout the nursing interneis at Cambridge when all of you were about 45 minutes late ??? [I could go on and on for pages - but I won't]

Next year you'll make the big step (and maybe the juniors will beat you in volleyball too) remember it!

I'll always remember you as the friend who helped put nails in my coffin!!!

Well, take care & try hard to get out of that drive-way (is he crazy or something?) Try to be good - it'll be easier since I won't be around I imagine. Don't forget me either. C.O.D. May the hand of paradise fly up your nose.

P.S. watch out for TIS at the Prom.

a good friendly friend (19'11) - the year!!! Jesse
